

REMARKS

Claims 28-30 and 37-39 are all the claims pending in the application.

In response to the Office Communication of October 14, 2010 that states that the Amendment Under 37 C.F.R. § 1.111 filed on July 26, 2010 is not fully responsive because applicants failed to address the rejection under obviousness-type double patenting over U.S. Patent Application No. 11/993,743, applicants herewith submit an executed Terminal Disclaimer. Applicants request withdrawal of the double patenting rejection in view of the submission of the Terminal Disclaimer.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,

Sheldon I. Landsman
